# TRANSFORMING SPACES THROUGH INNOVATION

30+ YEARS OF EXCELLENCE WORLDWIDE

MAGICK WOODS

Welcome to MAGICK GROUP, where advanced manufacturing & thoughtful design come together. Supported by a global production network and a focus on modular solutions, we create kitchen & bathroom systems designed to enhance everyday living across diverse markets.

## 1993 - OUR LEADER

Guided by bold ambition, our founder, Indy, began his journey at the University of Waterloo, aiming to make beautifully crafted cabinetry accessible to all.

## 1995 - RAPID GROWTH

We enter the home improvement space with Lowe's, Menards and The Home Depot across North America.

## 2012 - PREMIUM COLLECTIONS

Our kitchen division launches, offering our customers total home cabinetry solutions.

## 2018 - ONLINE MARKETPLACE

We expand into the eCommerce space across The United States and Canada, introducing our most extensive collection to date.

## 2022 - TECH FOCUS

MAGICK TECH is here-creating groundbreaking software, digital measurement tools & AI-powered design apps. Innovation meets imagination.

## 2023 - SCALING UP

We're redefining retail-launching immersive showrooms and experience HUBS across North America and India.

## 2025 - GOING DIRECT

Today, our global manufacturing footprint spans 2 million sq. ft., serving 5 million+ customers, expanding to 50 new HUB locations by 2028.

# CRAFTED FOR GLOBAL LIVING

Since 1993, MAGICK WOODS has built a strong reputation for crafting high-quality cabinetry for modern living. With manufacturing facilities across Canada, India & Southeast Asia, we ensure consistent quality, scalability & reliable global supply.

Driven by advanced technology & precise processes, we deliver kitchen & bathroom solutions that meet international standards while offering strong value. Our integrated manufacturing network combines design excellence, material performance, production efficiency, ensuring & dependable outcomes worldwide.

Today, MAGICK WOODS is trusted across leading global home improvement & professional distribution channels offering thoughtfully designed cabinetry in a wide range of styles, finishes & modular solutions tailored to diverse needs.

# OUR VISION

A Canadian Engineering student, Indrakumar Pathmanathan (Indy), founds MAGICK WOODS with one simple vision; to **make beautiful cabinetry available to everyone.**

# OUR MISSION

To design & manufacture high-quality kitchen & bathroom cabinet solutions that combine craftsmanship, advanced technology & modular efficiency. Through a global manufacturing network & a commitment to international standards, we deliver reliable, design-led products that meet the evolving needs of homeowners, architects & partners across global markets.

# THREE DECADES OF EXCELLENCE IN THE GLOBAL CABINET INDUSTRY

## AUTOMATED OPERATIONS

Modern, automated assembly & distribution with readily available production capacity

## HIGH PRODUCTION CAPACITY

Annual production capacity exceeding 1,000,000 cabinets

## CUSTOMER VALUE FOCUS

A clear customer value proposition driven by scale, efficiency & quality

## DESIGN SUPPORT SERVICES

Complimentary design services to support planning, customization & project execution

## GLOBAL SOURCING NETWORK

Global sourcing model spanning 8 countries, ensuring supply flexibility and cost efficiency

## MANUFACTURING & DISTRIBUTION SCALE

Over 2 million sq. ft. of global manufacturing & distribution facilities

## GROWTH

Proven Track Record of Growth

## SKILLED GLOBAL WORKFORCE

2,000+ dedicated employees worldwide, sales & operations

## CRAFTED WITH INTENT

At MAGICK WOODS, we are cabinet makers at heart. Every kitchen & bathroom solution is shaped through precision, material understanding & attention to detail, bringing craftsmanship into everyday living.

# QUALITY CERTIFICATIONS

Globally Recognized Standards Safety Sustainability Performance

## California Air Resources Board

To control the formaldehyde emission level in the composite woods (MDF, Particle Board) to meet California regulations.

## Forest Stewardship Council

FSC certification ensures that products come from well-managed forests that provide environmental, social & economic benefits.

## Uniform Plumbing Code

To ensure that our washbasins meet testing standards & protocols for US & Canadian standards.

## International Safe Transit Association

This certification ensures that our product package is rigid enough to withstand transit & handling vibration/shock.

# OUR CERTIFIED DOCUMENTS

MDF & Particle Board - CARB Certificate | Universal plumbing code (UPC) for vanity tops

## CERTIFIED QUALITY

Tested & Approved Products

## GLOBAL COMPLIANCE

Trusted International Standards

## SUSTAINABLE SOURCING

Eco-Friendly Materials

# GIVING BACK

Our Commitment Beyond Products

## BUILT WITH RESPONSIBILITY

We are committed to sustainable practices- supporting rural development, ecological sanitation and access to safe drinking water.

## EDUCATION & SKILL DEVELOPMENT

We promote learning & vocational skills while supporting universities, colleges & specialized institutions.

## EMERGENCY & MEDICAL RELIEF

We support disaster response & healthcare relief, including efforts to address floods, cyclones & the pandemic.

## STEWARDED HERITAGE

Safeguarding monuments & wildlife while sustaining the legacy of traditional craftsmanship.

# KITCHEN

A well-designed kitchen is more than a cooking space it is the heart of the home. At MAGICK WOODS, we create tailored kitchen solutions that balance refined design with everyday efficiency. From modern modular layouts to more expressive spaces, each kitchen is crafted with precision & clarity.

## CUSTOMIZED FOR YOUR SPACE:

No two homes are the same, and neither should kitchens be. From layout planning to finish selection, every element is tailored to your needs.

- Space-specific layouts (L-shape, U-shape, Island, Parallel & Straight)
- Material, finish & colour customization
- Functional zoning based on usage
- Smart storage solutions designed for your routine

## ENGINEERED FOR PERFORMANCE:

Built with precision and durability at the core:

High-Quality  
Engineered  
Boards

Moisture-resistant  
& finishes

Soft-close hinges  
& smooth drawer  
systems

Ergonomic  
design for  
everyday ease

## WHY TO CHOOSE MAGICK WOODS:

- Personalized design approach
- Precision-engineered products
- High-quality materials & finishes
- Seamless execution from design to installation

## SEE YOUR KITCHEN COME TO LIFE BEFORE EXECUTION

OUR ADVANCED 3D DESIGN PROCESS  
POWERED BY SNAPMEASURE, ALLOWS YOU TO:

- Visualize layouts at real scale
- Explore finishes, textures & colour combinations
- Optimize functionality before finalization
- Make confident, informed decisions

## MODULAR BY DESIGN

A seamless blend of aesthetics and efficiency:

- Pre-engineered modular units
- Easy installation and scalability
- Organized storage with maximum utility
- Clean, clutter-free layouts

## FINISHES THAT DEFINE YOUR STYLE

Choose from a wide range of premium finishes:

- PU Painted Surfaces
- PVC Finishes
- Texmel Textured Surfaces
- Woodgrain & Stone-inspired options

# KITCHEN

## Layout Types

Available in: L Shape • U Shape • Parallel • Island • Straight

ELEVATE YOUR SPACE WITH

# Modern VANITIES

A vanity moves beyond function defined by clarity, proportion and quiet ease. At MAGICK WOODS, each piece is shaped through clean lines, refined finishes & considered storage.

## DESIGNED WITH INTENT:

From compact layouts to expansive configurations, our vanities are created to maximize usability while maintaining a calm, minimal presence in the space.

## A REFINED SYSTEM OF DESIGN:

A complete collection of finishes, formats and configurations, designed to work together, adapt easily & elevate the overall space.

## BUILT TO PERFORM:

Precision-engineered with high-quality materials, every unit delivers durability, smooth functionality & long-term reliability.

- Soft-close mechanisms
- Moisture-resistant finishes
- Engineered construction
- Seamless surface quality

# EXTERIOR FINISHES

# WARRANTY

## LIMITED LIFETIME WARRANTY

All products should be inspected upon receipt for any visible damage or missing components. Any such claims must be noted at the time of delivery and submitted within 14 days.

## COVERAGE

Our cabinetry is warranted to be free from substantial defects in materials and workmanship under normal residential use. This warranty applies to the original purchaser and is non-transferable.

## DURATION

Cabinet units, doors, drawer fronts, panels, shelving, hinges and soft-close mechanisms are covered for the lifetime of ownership. This warranty remains valid for as long as the product is installed in its original location.

## SERVICE & RESOLUTION

At our discretion, any component found to be defective will be repaired or replaced with an equivalent product. We reserve the right to update materials or specifications without obligation to replace previously manufactured items.

## EXCLUSIONS

This warranty does not cover damage resulting from improper installation, misuse, neglect, unauthorised modifications, or normal wear and tear. It also excludes environmental factors such as humidity, temperature variations and natural ageing of materials.

## NATURAL VARIATIONS

Wood grain, finish tone, and colour may vary between samples and final products. Such variations are inherent to natural materials and are not considered defects.

## IMPLIED WARRANTIES

All implied warranties, including merchantability, are limited to the terms stated above.

## WARRANTY SERVICE

For assistance or claims, please contact Customer Service with product details, proof of purchase and a description of the issue. Further inspection or documentation may be required to process the claim.
